Foot Golf at Fynn Valley

How to play? Well...it's pretty simple.

Honestly.

You can tee off in groups of up to four people

Starting from the Tee Box, take it in turns to get the football into the Foot Golf target

**Ball in bunker—kick it from where it lies,
no penalty**

**Ball in ditch—remove and place at point of entry,
1 kick penalty added to score**

Whoever has the lowest score after 9 holes WINS

Easy – Come kick some balls!

No football boots to be worn on the golf course

Shirts to be worn at all times!
